the Field of Higher Education
ERASMUS+ 2018**

**Crisis and Risks
Engineering for
Transport Services**

BAKU ENGINEERING UNIVERSITY (BEU)

Co-funded by the
Erasmus+ Programme
of the European Union

Warsaw, 2019

**Mr. Arif Najimov,
Local project coordinator / manager**

University Profile: Short History; Facts & Figures

Baku Engineering University is one of the best higher education institutions functions under the Ministry of Education. Baku Engineering University (BEU) was established on November 8, 2016, with the status of the Public Legal Entity on the base of one private university which was established in 1993 year.

Baku Engineering University prepares engineers on all levels of higher education, execute programmes of higher and additional education in this sphere, and conduct fundamental and applied science researchers.

The establishment of the university aims to improve the teaching of engineering technologies and prepare highly-qualified personnel for the industry. According to the current level of development of the Azerbaijani economy, the university aims to prepare specialists with the ability to work with innovative technologies and organize production processes.

Baku Engineering University operates in a big campus located in Khirdalan city/Azerbaijan. The new service building where all the classrooms are situated has a 10500 m² indoor area. Total area of the campus is 20000 m².

Co-funded by the
Erasmus+ Programme
of the European Union

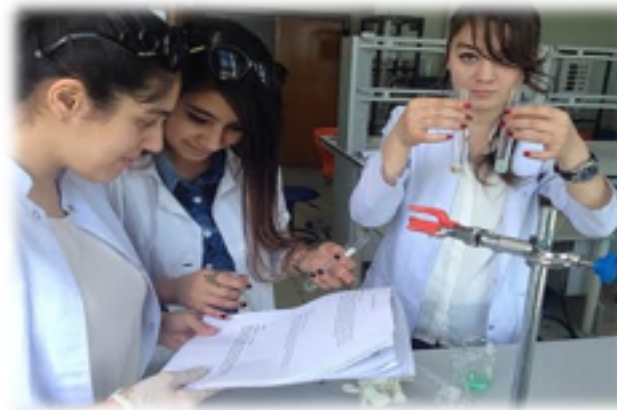

University Profile: Faculties

There are **three faculties** and they prepare specialties in **27 directions** at Baku Engineering University:

- 1) **Engineering Faculty;**
- 2) **Economics and Administrative Faculty;**
- 3) **Pedagogy Faculty.**

Co-funded by the
Erasmus+ Programme
of the European Union

Title of the Faculty Participating in the Project

BEU
BAKU ENGINEERING UNIVERSITY

Engineering Faculty (BA/MA Programs):

Computer Engineering (in Azerbaijan & English language);
Information Technologies (in Azerbaijan & English language);
Engineering of Processes Automation (in Azerbaijan language);

Mechanical Engineering (in Azerbaijan & English language);
Chemistry Engineering (in Azerbaijan & English language);
Electron energy Engineering (in Azerbaijan language);
Automobile Engineering (in Azerbaijan language);

Industry organization and Management (in Azerbaijan & English language);
Industrial Engineering (in Azerbaijan & English language);
Ecology Engineering (in Azerbaijan language);
System Engineering (in Azerbaijan language);

Architecture (in Azerbaijan & English language);
Civil Engineering (in Azerbaijan & English language);
City Planning (in Azerbaijan language);
Design (in Azerbaijan language);
Engineering of construction devices and systems (in Azerbaijan language);

Logistics and transport technology engineering (in Azerbaijan & Russian language).

BAKU ENGINEERING UNIVERSITY

8) ARCHITECTURE AND CONSTRUCTION ENGINEERING LABORATORY

Co-funded by the
Erasmus+ Programme
of the European Union

TECHNOPARK

Mission

- The production of advanced technological products through scientific researches application
- Supporting the sustainable development of economy including non-oil sector in Azerbaijan
- Improving relations between business world and academic-teacher and student staff of the university
- Involvement in learning and production of advanced technological updates rapidly developing in the world

Co-funded by the Erasmus+ Programme of the European Union

Students Clubs

- **Business World**
- **Meditation Club**
- **East & West**
- **Ecology**
- **Literature**
- **Young Academicians**
- **Charity Club Named After H.Z. Tagiyev**
- **Sports World**
- **International Students Club**
- **Librarianship**
- **Lalezar**
- **Architecture and Construction**
- **Dancing**
- **Industrial Engineering**
- **Cinema**
- **Technology Club**
- **Translation Club**
- **InteRes Club**

Co-funded by the
Erasmus+ Programme
of the European Union
