

**Joint Project: Capacity Building in  
the Field of Higher Education  
ERASMUS+ 2018**

**Crisis and Risks  
Engineering for  
Transport Services**

**Azerbaijan Technological University,  
Faculty of Light Industry and Logistics**

Co-funded by the  
Erasmus+ Programme  
of the European Union

**Warsaw, 2019**

**Mr. Orkhan Vatankhah**

## University Profile: Short History; Facts & Figures

**University profile:** Established at 1970 as a branch of Polytechnic Institute, 1980 became University.

- 4 faculties
- 17 departments
- Department of doctoral and master studies
- 2 research laboratories
- Center for Sustainable Development and Educational Technologies
- “Barama” Incubator Center
- University offer 26 bachelor , 19 master studies
- More than 276 Professor, Lecturers, Doctors, Assistants.
- Total students: 2477

Co-funded by the  
Erasmus+ Programme  
of the European Union

# Light Industry and Logistics

## Departments

- ✓ Light Industry and Design
- ✓ Metallurgical Engineering
- ✓ **Mechanical engineering and logistics**
- ✓ More than 56 Professors, Lecturers, Doctors, Assistants.

## Labs & Workshops

- The production laboratory for primary processing of cotton ( mini-plant).
- Laboratory of sewing
- Laboratory of carpet production
- Laboratory of Azeraluminium 's educational experience
- Port of Baku logistics training and education center

Co-funded by the  
Erasmus+ Programme  
of the European Union

## University Profile: Faculties

- **Faculty of Light Industry and Logistics**
- **Faculty of Food Engineering**
- **Faculty of Economics and Administration**
- **Faculty of Automation Telecommunication and Information Technologies**

Co-funded by the  
Erasmus+ Programme  
of the European Union

## BA/MA Programs Offered by the Faculty

### BA Programs

1. Technology Engineering of Consumer goods
2. Metallurgical Engineering
3. Design
4. Logistics and Transportation Technology
5. Transport Management and Organizational Engineering

### MA Programs

1. Technological Machinery and Equipment Engineering
2. Technology Engineering of Consumer goods
3. Design
4. Transport Management and Organizational Engineering

Co-funded by the  
Erasmus+ Programme  
of the European Union

# Curricula/Modules Studied in the BA/MA Programs to Upgrade

## **BA Programs**

Logistics and Transportation Technology

## **MS Programs**

Transport Management and Organizational Engineering

Co-funded by the  
Erasmus+ Programme  
of the European Union

# Labor market analysis

## List of Employers

1. Baku International Sea Trade Port
2. Shamkir Agro Park Logistics Center
3. Azerbaijan Caspian Shipping Company
4. BM Logistics
5. AZ Logistics & Management Services
6. TSL GROUP
7. ABA Logistics

Co-funded by the  
Erasmus+ Programme  
of the European Union

# Work Group of the Project CRENG

No	Name Surname	Role in Project	Position in Univ.	Work packages
1	Orkhan Vatankhah	Coordinator	Director of Centre for Science and International Affairs	WP1, WP2, WP3, WP4, WP5
2	Ulviyya Mammadova	Specialist	Project Specialist at the Centre for Science and International Affairs	WP1, WP2, WP3, WP4

Co-funded by the  
Erasmus+ Programme  
of the European Union

**Thank you for you  
attention!**
