# Why Crisis and Risks Engineering for Transport Services?

Warsaw University  
of Technology

Faculty  
of Transport

WARSAW UNIVERSITY OF TECHNOLOGY

- Economic, political, natural and organizational **factors** influencing TS, leading to **failures in supply chains**
- Need for specialists in CRENG.
- UA, AZ, TM located in **strategic transport routes** for Europe-Asia traffic.
- MA programs on CRENG implemented in **European universities**.
- PCs develop TSs on their way to **integration** into global TS
- EU supports integration and shares **experience** to support CRENG implementation.
- PCs companies implementing anti risks and crisis strategies face with **lack of skilled specialists**.
- Identifying, assessing and controlling the risks in TS and making decisions about their minimization.

Co-funded by the  
Erasmus+ Programme  
of the European Union

## CRENG objectives

Warsaw University  
of Technology

Faculty  
of Transport

WARSAW UNIVERSITY OF TECHNOLOGY

- Develop, implement and accredit new practice-oriented, student-focused MA program on CRENG including innovative teaching approaches and ECTS in UA, AZ and TM till Jan 2021
- 13 core (9 new + 4 updated) and 3 transferable curricula: 120 ECTS credits
- Learning environment: Skills Wallet (SW), International Project Based Learning (IPBL), CRENG Service Offices
- Information environment for dissemination of project results
- Training courses and master classes on new curricula for academics from PCs
- Academic teachers from PCs to develop teaching environment on CRENG, create and accredit new MA program at the national level.

**Ensure sustainability  
of UA, AZ, TM  
transport systems  
and integration with  
global transportation  
network**

**Create environment  
for education of high  
skilled specialists  
in line with labor  
market, EU best  
practices and  
Bologna process**

Co-funded by the  
Erasmus+ Programme  
of the European Union

# CRENG Work Packages

Warsaw University  
of Technology

Faculty  
of Transport

WARSAW UNIVERSITY OF TECHNOLOGY

1. PREPARATION - Designing Agreement and guidelines on instructional strategies for MA program “CRENG ” development

## Milestones:

- kick-off meeting conducted;
- working groups in each PCs and EU HEIs created;
- the Agreement and Guideline model for MA curricula development and implementation designed and signed by 9 PCs HEIs and 3 EU HEIs.

**Crisis and Risks  
Engineering for  
Transport  
Services**  
**DETAILED  
DESCRIPTION OF  
THE PROJECT**

Co-funded by the  
Erasmus+ Programme  
of the European Union

of Transport

WARSAW UNIVERSITY OF TECHNOLOGY

2. DEVELOPMENT - Development of new MA program “CRENG ” and innovative teaching environment

Milestones:

- new core and transferable curricula on CRENG developed and implemented;
- MA program “CRENG ” **accredit** on institutional and national levels;
- set of **teaching materials** for each new curricula developed and published (**Join Web Platform**);
- **e-learning** courses developed and downloaded on MOODLE platform in PCs HEIs;
- **Lab, VCR** at each PCs HEIs created and equipped;
- **retraining** program on new curriculum on CRENG developed by EU HEIs;

Co-funded by the  
Erasmus+ Programme  
of the European Union

2. DEVELOPMENT - Development of new MA program “CRENG” and innovative teaching environment

### Milestones:

- **teachers retrained** on new MA programs and teaching/learning environment at EU HEIs;
- **master classes** on new MA program teaching/learning environment conducted by retrained PCs teachers an EU HEIs;
- one year **pilot teaching** conducted;
- staff from PCs HEIs **retrained** to operate **CRENG Service Offices**;
- **CRENG Service Offices** established and equipped;
- CRENG + Agreement signed;
- Skills Wallet and IPBL implemented at PCs HEIs.

Co-funded by the  
Erasmus+ Programme  
of the European Union

### 3. QUALITY PLAN - Internal and external quality control of processes and deliverables

#### Milestones:

- Internal Evaluation Committee (IEC) established;
- number of IEC meetings conducted (IEC reports);
- questionnaire, feedback, annual reports;
- online evaluation in function;
- peer-view visits;
- report of inter project coaching;
- report of PTAT;
- external audit report.

Co-funded by the  
Erasmus+ Programme  
of the European Union

Warsaw University  
of Technology

Faculty  
of Transport

WARSAW UNIVERSITY OF TECHNOLOGY

### 4. DISSEMINATION & EXPLOITATION - Strategy dissemination and event plan

#### Milestones:

- Dissemination **events plan and timetable** worked out and approved by all participants;
- 100% execution of Dissemination event plan: **conference and meetings** conducted;
- **CRENG + agreement** worked out;
- number of stakeholders signed CRENG + Agreement;
- Joint WEB based platform updated;
- number of WEB site visitors;
- number of groups in social networks created and updated;
- number of people integrated via social networks;

Co-funded by the  
Erasmus+ Programme  
of the European Union

WARSAW UNIVERSITY OF TECHNOLOGY

### 4. DISSEMINATION & EXPLOITATION - Strategy dissemination and event plan

#### Milestones:

- number of **networked CRENG Service Offices**;
- number of **promotional materials** disseminated;
- number of **refresh training** courses conducted for specialists of enterprises;
- number of people retrained;
- number of enterprises signed Carrier Support Agreement;
- number of students participated in Skills Wallet;
- number of graduates employed after Skills Wallet participation.

Co-funded by the  
Erasmus+ Programme  
of the European Union

### 5. MANAGEMENT - Management of the project

#### Milestones:

- **project work-plan and timetable** incl. milestones and contingency plan developed;
- joint management group formed;
- **number of LPT formed**, plan of coordinating meeting worked out;
- number of **coordinating meeting** conducted;
- number of **management assessment reports**;
- number of downloaded files on WEB platform.
